

| 2 Year Roadmap |                                           |        |                                             |
|----------------|-------------------------------------------|--------|---------------------------------------------|
|                | Year 1                                    |        | Year2                                       |
| Term 1         | Key concept                               | Term 1 | Key concept                                 |
| W1             | Survey & Analysis (K2, S1)                | W1     | Advanced Plant & Habitat Design (K2, S1)    |
| W2             | Survey & Analysis (K2, S1)                | W2     | Advanced Plant & Habitat Design (K2, S1)    |
| W3             | Survey & Analysis (K2, S1)                | W3     | Advanced Plant & Habitat Design (K2, S1)    |
| W4             | Survey & Analysis (K2, S1)                | W4     | Advanced Plant & Habitat Design (K2, S1)    |
| W5             | Plant Science Foundations (K6, S2)        | W5     | Materials & Specs II (K5, S5)               |
| W6             | Plant Science Foundations (K6, S2)        | W6     | Materials & Specs II (K5, S5)               |
| W7             | Plant Science Foundations (K6, S2)        | W7     | Materials & Specs II (K5, S5)               |
| Term 2         | Key concept                               | Term 2 | Key concept                                 |
| W8             | Plant Science Foundations (K6, S2)        | W8     | Materials & Specs II                        |
| W9             | Materials & Construction Methods (K5, S5) | W9     | Design Principles II                        |
| W10            | Materials & Construction Methods (K5, S5) | W10    | Design Principles II                        |
| W11            | Materials & Construction Methods (K5, S5) | W11    | Design Principles II                        |
| W12            | Materials & Construction Methods (K5, S5) | W12    | Design Principles II                        |
| W13            | Landscape Design Principles (K1, S2)      | W13    | CAD & GIS Tools II (K3, S4)                 |
| W14            | Landscape Design Principles (K1, S2)      | W14    | CAD & GIS Tools II (K3, S4)                 |
| Term 3         | Key concept                               | Term 3 | Key concept                                 |
| W15            | Landscape Design Principles (K1, S2)      | W15    | CAD & GIS Tools II (K3, S4)                 |
| W16            | Landscape Design Principles (K1, S2)      | W16    | CAD & GIS Tools II (K3, S4)                 |
| W17            | CAD, GIS & Design Technology (K3, S4)     | W17    | Sustainability Ecology II (K8)              |
| W18            | CAD, GIS & Design Technology (K3, S4)     | W18    | Sustainability Ecology II (K8)              |
| W19            | CAD, GIS & Design Technology (K3, S4)     | W19    | Sustainability Ecology II (K8)              |
| W20            | CAD, GIS & Design Technology (K3, S4)     | W20    | Sustainability Ecology II (K8)              |
| Term 4         | Key concept                               | Term 4 | Key concept                                 |
| W21            | CAD, GIS & Design Technology (K3, S4)     | W21    | H&S & Regulations II (K7, S7)               |
| W22            | CAD, GIS & Design Technology (K3, S4)     | W22    | H&S & Regulations II (K7, S7)               |
| W23            | CAD, GIS & Design Technology (K3, S4)     | W23    | H&S & Regulations II (K7, S7)               |
| W24            | CAD, GIS & Design Technology (K3, S4)     | W24    | H&S & Regulations II (K7, S7)               |
| W25            | Sustainability & Ecology (K8)             | W25    | Data & Reporting (K4, K10, S3) (K9, S8)     |
| W26            | Sustainability & Ecology (K8)             | W26    | Data & Reporting (K4, K10, S3) (K9, S8)     |
| Term 5         |                                           | Term 5 | Key concept                                 |
| W27            | Sustainability & Ecology (K8)             | W27    | Data & Reporting (K4, K10, S3) (K9, S8)     |
| W28            | Sustainability & Ecology (K8)             | W28    | Data & Reporting (K4, K10, S3) (K9, S8)     |
| W29            | H&S & Regulations (K7, S7)                | W29    | Project Management & Contracts              |
| W30            | H&S & Regulations (K7, S7)                | W30    | Project Management & Contracts              |
| W31            | H&S & Regulations (K7, S7)                | W31    | Project Management & Contracts              |
| W32            | H&S & Regulations (K7, S7)                | W32    | Project Management & Contracts              |
| Term 6         | Key concept                               | Term 6 | Key concept                                 |
| W33            | Data & Reporting (K4, K10, S3) (K9, S8)   | W33    | EPA Portfolio & Project Prep                |
| W34            | Data & Reporting (K4, K10, S3) (K9, S8)   | W34    | EPA Portfolio & Project Prep                |
| W35            | Data & Reporting (K4, K10, S3) (K9, S8)   | W35    | EPA Portfolio & Project Prep                |
| W36            | Data & Reporting (K4, K10, S3) (K9, S8)   | W36    | EPA Portfolio & Project Prep                |
| W37            | Professional Behaviours & CPD (B1-B5)     | W37    | Mock Assessments & Professional Development |
| W38            | Professional Behaviours & CPD (B1-B5)     | W38    |                                             |
| W39            | Professional Behaviours & CPD (B1-B5)     | W39    |                                             |
